### CARROLL

The heavy rains last week in the vicinity of Bogard have damaged the wheat that has not been thrashed in that section of the country.

A deal was closed last week between A. C. Prakes of Unionville, Mo. and Alva Leonard whereby the latter has sold his place of 39 acres a short distance from Bogard for \$102.50 an acre.

Mrs. Malissa Busley Williams wife of Chas. Williams of Carrollton died at the family home last Monday of stomach trouble. She is survived by her husband and two sons.

Amos Sniderof of Norborne who went to Rochester, Minn. a few weeks ago to undergo an operation was operated on last week and the report is that he stood it nicely and will be home soon.

Mrs. Mary A. Cogburn, died at the home of her daughter Mrs. Andrew Hilton, in Prairie township last Sunday morning of paralysis, aged 84 years. She is survived by five daughters.

The chautauqua at Bosworth last week was well attended and was one of the best that ever stopped at that place. Every body in the community was to it and even the Sentinel force did not get out but half of the paper so they would be able to attend.

In attempting to hurriedly step off the porch at the home of Bud Settles last Sunday at Bosworth, Rev. W. W. Pierce who is pastor at the Baptist church at that place had the misfortune to sprain his ankle. The ankle was dressed and he returned to his home at Liberty.

The fire company was called to the home of Herman Hass a resident of Norborne last Wednesday but it was discovered that it was only a small blaze which had started in a comfort and a bundle of cotton batting. It is not known how they caught on fire.

While driving an automobile from her home at Cameron to Carrollton last Sunday and while near Norborne Mrs. Cotley lost control of the machine for a moment and it crashed into a fence

and she was thrown against the side of the machine with such force that one of her arms were broken. Her father and mother who were in the machine with her rushed the car to town where the fractured arm was dressed and she continued on her journey.

Marriages:—Henry Hinck of Burlingame, Kas. and Mrs. Lucy Robertson of Norborne. Robert R. Dickenson and Lora O. Rose both of Carrollton. Ernest L. Kistler and Ina B. Gosnell both of Bosworth. Zony C. Pyle of Norborne and Myrtle McCluhan of Carrollton.

Last Monday while Dr. J. G. Wilkerson of Norborne was administering medicine to a mule belonging to Fred Knipschild he was kicked so hard by the animal that it sent him sprawling on the ground, and he is now walking with the aid of a cane. The doctor thinks a mule never forgets to kick even if he is dead.

### A New Wabash

Travelers up and down the Wabash railroad between St. Louis and Kansas City can not but be impressed with the army of workmen scattered in companies of from a dozen to a hundred building the new track, which will make this road second to none in the middle West if not in this country.

This is not all however for it is getting 3250 freight cars, 91 new locomotives 29 new steel passenger cars, and \$2,000,000 worth of new steel rail, automatic block signals, 1600 miles of telephones, water, fuel and safety bureaus, a new locomotive shop at Decatur, extensive terminals and minor improvements.

When this is all completed, the Wabash will be a great credit not only to those who have advocated and put thru the great project, but to the state, and since the Wabash is undoubtedly a fixture where it is, this little city should respond and keep pace with the enterprise and provide facilities for meeting all trains and handling car load stuff, whether merchandise, stock or grain up town. This would greatly increase business of all kinds because it would induce shipment of much freight as well as increase the passenger traffic and trading at the town.

### RANDOLPH

A barn on the Ed Patton farm six miles from Moberly was destroyed by lightning last Monday. Mrs. Patton was badly shocked by the thunderbolt.

J. H. Whitecotton has just finished threshing on his Randolph farm. He thrashed 507 bushels of wheat, 100 bushels of rye and 1200 bushels of oats.

Mrs. Lela Marvin, 54 years of age died at her home three miles northeast of Moberly last Wednesday. She was the wife of W. B. Marvin who with three daughters survive her.

Bob Bassett, acting as special policeman at the chautauqua at Moberly during Bryan's lecture last Sunday was overcome by heat and had to be taken home. Mr. Bassett received prompt medical attention and was reported as well as could be expected.

Last Monday night August H. Ostman died at the home of Engineer Nick Mathias at Moberly. Mr. Ostman was born Aug. 25, 1843 and died on the 69 anniversary of his birth. He is survived by his wife, one son and two daughters.

Last week as Uncle John Hendricks was walking thru his barn lot he noticed something which he took to be a dime partly covered with dirt. Upon examination he found it to be an old half dime dated 1848. The coin had probably been there 20 years or more.

The Clark Chronicle was not sold last week. The report that was circulated that Rich R. Carroll had sold it to W. E. Rice was not true and was only a joke started by Mr. Rice. Mr. Rice will continue to stay on his farm and Mr. Carroll to edit the paper.

John J. Ryan a well known citizen of Moberly became suddenly insane at his home last Thursday and was taken before the commissioners and it was decided he was suffering with emotional insanity. He was taken to Huntsville for a few days where he will be kept in sole quietude and if he does not improve he will be taken to Fulton for treatment.

Last Wednesday night while in front of the garage in Milton, Iowa the auto belonging to Louis Faessler took fire and burned. The tank had just been filled with gasoline and the machine was destroyed without the tank exploding. Louis Faessler who in company with his mother Mrs. Christine Faessler and H. G. Gilfillan and wife were returning to their home in Moberly when the accident happened.

About three weeks ago D. G. Miller of St. Louis, canvassed in the community of Renick organizing soap clubs for a St. Louis firm. When he left he gave Jim Slaughter a \$10 check in payment of a \$3 livery bill and received \$7 in cash. The check was deposited at the Merchants Bank at Renick and a few days later the check returned marked "no funds." Slaughter was soon notified and so was Luther Hamilton, constable who happened to be in the postoffice a few days previous and learned that the man wanted was working in Macon. Hamilton took the first train for that city and soon located the gentleman. He was taken to police station where he soon realized his position and consented to pay the money and all expenses and was discharged.

An article that has real merit should in time become popular. That such is the case with Chamberlain's Cough Remedy has been attested by many dealers. Here is one of them. H. W. Henderson, Ohio Falls, Ind., writes, "Chamberlain's Cough Remedy is the best for coughs, colds and croup and is my best seller." For sale by all dealers.

The Courier is only \$1.00 a year—all home print.
